FOR IMMEDIATE RELEASE

North Liberty, IA., Thursday, November 5 , 2015

Kinseth Hospitality Companies is pleased to announce the Grand Opening of the Twelve 01 Kitchen and Tap. At a ribbon cutting ceremony, that took place on November 4, General Manager Dave Davis, Director of Sales Stacy Strother, and Owner Bruce Kinseth, of Kinseth Hospitality Companies, shared a few words of excitement about the revitalization of the restaurant and hotel complex located at the intersection of I-80 and 1st Avenue in Coralville, Iowa. Davis also revealed plans to make some major upgrades to the hotel side of the complex announcing that the Holiday Inn will be converted to an all new Radisson Hotel near the first of the new year.

Over three hundred guests attended the event and were able to enjoy live music, drink pairings and menu sampling, as well as partake in tours of the newly renovated space.

The new restaurant's concept was created and will be managed by Kinseth Hospitality Companies, which is located in North Liberty. Executive Vice President, Bruce Kinseth began plans for the Twelve01 about a year ago, and was looking to update the former River City Beefstro that resided in the building for many years.

"We wanted to bring in new ideas and transform the space that could serve the Iowa City/Coralville area, in a new modern and innovative way" says Kinseth.

Twelve01 Kitchen and Tap focus on local brews, premium wine selections, and fresh food. Visitors will find all Iowa craft beers from breweries around the state that will be rotated seasonally. Currently, their taps feature selections from Backpocket, Sutliff, Millstream, Kalona, Lion Bridge, Exile, Peacetree and Confluence.

An extensive wine list invites the choosiest of enthusiasts to try something new—whether by bottle or a variety of sampling glasses. Wines are displayed on an impressive wine wall that is centered in the middle of the restaurant for viewing.

Their drink selections extend into their fresh, innovative and unique menu items. Specialties include a variety of fresh, house-made items, including hand-made USDA Choice Angus burgers with fresh-cut French fries, sandwiches, steaks, and classic Iowa comforts such as "Herky's Mac and Cheese" and Steak Deburgo. "We're excited for guests to enjoy the guacamole made table-side," added Kinseth. "For those looking for something made fresh on-the-spot—this is it." Starting this month the restaurant will be open for breakfast, lunch, happy hour, and dinner!

Kinseth Hospitality Companies is dedicated to the local community and manages four local hotels including the Holiday Inn, Hampton Inn & Suites, Holiday Inn Express & Suites, and Super 8, all of which are located in Coralville.
